September Picnic 2021

As it has been for the last few years, the Manassas District picnic was held on Sunday, Sept. 19 in Nokesville Park, off Aden road. This is usually a well-attended event, and this time was no different. People gathered to chat, eat, meet, eat some more, and get some fresh air and some spiritual refreshment at the 2:00pm meeting.

This event is especially highlighted because it has been the first district picnic to be held in a couple of years. In 2018, it was canceled due to a hurricane that never happened, and last year (2020) was a washout due to the pandemic. Attendees seemed to be making up for it, though. People even brought their dogs and children.

The board was groaning with all good things to eat, including a wealth of side dishes and yummy deserts. If you left hungry, it was your own fault! Thanks to the wise staging of the "picnic boss," there was good flow of foot traffic and room for every one.

The grill rented for the occasion got a lot of play, and our trusty grillers were kept busy cooking up hamburgers and hot dogs. We hope they got some food too!

MESSAGE FROM YOUR DCM

The Manassas District / Centreville District Picnic was successful. Thanks to Rick S., Bob Z., Tray, Larry, Steve M., Zach B., David B. from Centerville District, and Adrienne.

It was a great day, great weather, an excellent AA Meeting, and a wonderful fellowship. "We stay sober," i.e., The Fellowship. "I get drunk." Me, me, me!!

As time passes, "one day at a time," life can get better; life can be remarkable! This promise has come true for me and countless others.

Talking about time, I pray for us to spend more time together in the fellowship with more in-person meetings and District 33 events in the upcoming days.

Best

Step Nine

Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition Nine

A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Concept Nine for World Service

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

PICNIC (cont'd from page 1)

The "Meeting under the Trees" was actually held in the pavilion, and was shorter than in past years, only half an hour. But it was a good spiritual break and there was some good sharing.

This report would be remiss if we didn't acknowledge the hardworking picnic crew, headed up by Rick S., who also did the planning, the shopping, and the hauling. Thanks so much Rick! And thanks also to his willing and able crew and help from our DCM, David R. They set up and tore down and cleaned up when the event was over and left the place in great shape.

Attendance at its peak was estimated to be around 90. Not bad! The majority was from the Manassas district, but there were also folks from Centreville, our co-host, as well as Warrenton and Woodbridge.

All in all, this was a fun and successful event which went smoothly due to the hard work beforehand, during and after. Thanks to all who helped. Together we can! Together we did!
