### New Friendz - verse 11

Verse Eleven: Seems Always Reality Arrives

We have a new friend celebrated a first year, Garr;  
 One too many, he had gone too far.  
 We have a new friend, Eammon, went out for research.  
 Welcome him back, we won't leave him in the lurch.  
 We have a new friend, Linda, made a lifetime move,  
 nine years sober, nothing at last to prove.  
 We have a new friend, Diane, half-time breaks,  
 Finding HP, and it takes what it takes.  
 We have a new friend just 5 days, James, from out of town,  
 Visiting a big book meeting, hope he comes back  
 around.

This program is spiritual, a place to get balance,  
 Let go of things you don't need, pick up new talents.  
 The way we paint truth or whitewash our way,  
 gives us an option for which we need pray.  
 Insults only hurt if we let them inside,  
 When we run from ourselves there's no place to hide.

We have a new friend, it is me, it is you,  
 hand-in-hand strength is the clue.  
 It is a fellowship of three million strong,  
 with so much sobriety, how can we go wrong?

**Step Six**

Were entirely ready to have God remove all these defects of character.

**Tradition Six**

An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

**Concept Six for World Service**

The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern
