Step Six

Were entirely ready to have God remove all these defects of character.

Tradition Six

An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

Concept Six for World Service

The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

Adventure August 6

Do not follow where the path may lead. Go instead where there is no path and leave a trail.
 – **Ralph Waldo Emerson**

Dare to be different. Dare to journey where no man or woman has gone before: the adventure of the individual. I remember hearing that unity is not the same as uniformity. When we are in unity with one another, we can still celebrate diversity and respect individuality. With this concept as a foundation, people are able to create original artwork, explore new fantasies, and write and produce plays that challenge society in a completely different way. We all benefit. Adventure does not exist without the freedom to tread a path that has never been traveled.

I will surely meet some of you as I tread the road of happy destiny.
