**All Are Welcome!**

STEP NINE.... by Jim S.

This is the step where we try to clean up some of the past wreckage. So as not to cause any further harm it is wise to first discuss how we plan to make these amends with a sponsor. We need someone to point out how unfair it would be to dump a load of garbage on a loved one. For example, we may have been unfaithful in our marriage. To confess this to an unsuspecting spouse, would cause much heartache. We may have thought we had problems but we have just created a MONSTER.

We may have padded expense accounts or stolen from the work place. To confess this to the company would accomplish nothing and might land us in jail Those are just two of the many reasons to have a sponsor that understands these problems. We will find other ways to make this amend.

Just saying we are sorry is not an amend, if we owe money either pay or make an arrangements to pay. Even if we can't pay, we need to own-up to our debts.

Bottom line-

This is by far the best amend we can make:

TURN RIGHT...THEN GO STRAIGHT.
