“THE joy of living is the theme of A.A.’s Twelfth Step, and action is its key word. Here we turn outward toward our fellow alcoholics who are still in distress. Here we experience the kind of giving that asks no rewards. Here we begin to practice all Twelve Steps of the program in our daily lives so that we and those about us may find emotional sobriety. When the Twelfth Step is seen in its full implication, it is really talking about the kind of love that has no price tag on it..... He has been granted a gift which amounts to a new state of consciousness and being. He has been set on a path which tells him he is really going somewhere, that life is not a dead end, not something to be endured or mastered.

In a very real sense he has been transformed, because he has laid hold of a source of strength which, in one way or another, he had hitherto denied himself.... What he has received is a free gift...”

December is the 12th Month!

Step 12 "Having had a spiritual awakening as the result of these Steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs."

Tradition 12 "Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities."

Concept 12 for World Service "The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and whenever possible, substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government; that, like the Society it serves, it will always remain democratic in thought and action."
