All Are Welcome!

One Key

There is only one key, and it is called willingness. Once unlocked by willingness, the door opens almost of itself, and looking through it, we shall see a pathway beside which is an inscription. It reads: "This is the way of faith that works." In the first two Steps we were engaged in reflection. We saw that we were powerless over alcohol, but we also perceived that faith of some kind, if only in A.A. itself, is possible to anyone. These conclusions did not require action; they required only acceptance.

Like all the remaining Steps, Step Three calls for affirmative action, for it is only by action that we can cut away the self-will which has always blocked the entry of God - or, if you like, a Higher Power - into our lives. Faith, to be sure, is necessary, but faith alone can avail nothing. We can have faith, yet keep God out of our lives. Therefore our problem now becomes just how and by what specific means shall we be able to let Him in? Step Three represents our first attempt to do this. In fact, the effectiveness of the whole A. A. program will rest upon how well and earnestly we have tried to come to "a decision to turn our will and our lives over to the care of God *as we understood him.*"
