District Meetings

Second Tuesday of the month

Bethel Lutheran Church

7pm

All Are Welcome!

The First Tangible Evidence

Step Four is our vigorous and painstaking effort to discover what these liabilities in each of us have been, and are.

We want to find exactly how, when and where our natural desires have warped us. We wish to look

squarely at the unhappiness this has

caused others and ourselves. By

discovering what our emotional

deformities are, we can move toward their

correction. Without a willing and persistent

effort to do this, there can be little sobriety

or contentment for us. Without a searching

and fearless inventory, most of us have

found that the faith that really works in

daily living is still out of reach.....

Therefore, thoroughness ought to be the

watchword when taking inventory. In this

connection, it is wise to write out our

questions and answers. It will be an aid to

clear thinking and honest appraisal. It will

be the first *tangible* evidence of our complete willingness to move forward.

April is the 4th Month!

Step 4 "Made a searching and fearless moral inventory of ourselves."

Tradition 4 "Each group should be autonomous except in matters affecting other groups or A.A. as a whole."

Concept 4 for World Service "At all responsible levels, we ought to maintain a traditional "Right of Participation", allowing a voting representation in reasonable proportion to the responsibility that each must discharge."

The Dearly Departed

Here we will memorialize any "friends of Bill" from District 33 who have passed on recently, so that others in the fellowship may pray for them and comfort each other.

MOVIE NIGHT!

My Name is Bill W.

Many hands make light work!

Couches were moved.

The screen and AV system was assembled.

Millions of kernels of corn were popped to steamy perfection.

The lights went down and the show went on without a hitch.

Great times with good people at District 33's "Movie Night" Saturday, March 29th.

Don't miss the next one!
