Rebellion Dogs

Since this step so specifically concerns itself with humility, we should pause here to consider what humility is and what the practice of it can mean for us.

Humility, as a word and an ideal, has a very bad time of it in our world. Not only is the idea misunderstood; the word itself is often intensely disliked. Many people haven't even a nodding acquaintance with humility as a way of life..... But we are sure that no class of people in the world ever made a worse mess of trying to live by this formulation alcoholics. For thousands of years we have been demanding more than our fair share of security, prestige and romance.

When we seemed to be succeeding, we drank to dream still greater dreams. When we were frustrated, even in part, we drank for oblivion. ...In all these stirrings, so many of them well-intentioned, our crippling handicap had been our lack of humility..... For us the process of gaining new perspective was unbelievably painful. It was only by repeated humiliations that we were forced to learn something about humility.... Rebellion dogs our every step at first.

Tradition 7 "Every A.A. group ought to be fully self-supporting, declining outside contributions."

Concept 7 for World Service: "The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness."
