All Are Welcome!

A Perilous Resolve

So Step Six... is A.A.'s way of stating the best possible attitude one can take in order to make a beginning on this lifetime job. This does not mean that we expect all our character defects to be lifted out of us... with most of them we shall have to be content with patient improvements. The key words "entirely ready" underline the fact that we want to aim at the very best we know or can learn.

How many of us have this degree of readiness? In an absolute sense practically nobody has it. The best we can do... is to *try* to have it. Even then the best of us will discover to our dismay that there is always a sticking point, a point at which we say, "No I can't give this up yet." And we shall often tread on even more dangerous ground when we cry, "This I will *never* give up!" Such is the power of our instincts to overreach themselves. No matter how far we have progressed, desires will always be found which oppose the grace of God.

June is the 6th Month!

Step 6 “Were entirely ready to have God remove all these defects of character..”

Tradition 6 “An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.”

Concept 6 for World Service: “The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.”
