All Are Welcome!

A Piece of Surgery

Steps Eight and Nine are concerned with personal relations. First we take a look backward and try to discover where we have been at fault; next we make a vigorous attempt to repair the damage we have done; and third, we consider how, with our new found knowledge of ourselves, we may develop the best possible relations with every human being we know.

Brian M 39 years

Eileen C. 38 years

This is a very large order. It is a task which we may perform with increasing skill, but never really finish. Learning how to live in the greatest peace, partnership, and brotherhood with all men and women, of whatever description, is a moving and fascinating adventure. Every A.A. has found that he can make little headway in this new adventure of living until he first backtracks and really makes an accurate and unsparing survey of the human wreckage he has left in his wake. To a degree, he has already done this when taking moral inventory, but now the time has come when he ought to redouble his efforts to see how many people he has hurt, and in what ways. This reopening of emotional wounds, some old, some perhaps forgotten, and some still painfully festering, will at first look like a purposeless and pointless piece of surgery.

August is the 8th Month!

Step 8 “Made a list of all persons we had harmed, and became willing to make amends to them all”

Tradition 8 “Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.”

Concept 8 for World Service: “The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
